**Note: In FY 2017/18 RMBI Care Co received a grant of £3.8M from the Masonic Charitable Foundation.**

The monetary value split between each Province within the RMBI Care Co column has been recalculated because previously (prior to October 2017) it was based on a theoretical calculation of care costs, whilst the rest of the Quarterly Summary contains actual grants (cash) paid. Furthermore, there has always been a problem reconciling the Quarterly Summary with the published and audited accounts because, once again, there was a difference between the theoretical calculation and actual expenditure.

This revised approach uses the £3.8M grant figure given to RMBI Care Co for 2017/18. We hope that Provinces are encouraged to see that their donations contribute directly to helping those supported by MCF in their Province and across all the Provinces, as well as having a much wider impact on providing a care package (which includes Masonic traditions) to support **all** residents.

For simplicity the average charitable spend per Province is shown. Please note however that this figure does not reflect the actual charitable spend, which will vary depending on location and individual care needs.
