## 2 Fundraise

Here are just a few ways to raise money and have fun at the same time:

- Organise a quiz night or a raffle
- Host a dinner party, BBQ or themed event
- Arrange a social event such an evening of music or entertainment
- Take part in a sponsored challenge

## Sponsorship

Sponsored events are a very popular, fun and effective way of raising money. Most events involve setting a personal challenge and then asking friends and family members to make charitable donations to encourage fundraisers to achieve their goal. The Relief Chest Scheme provides face-to-face and online sponsorship support to make it easy for fundraisers to hit their targets.

Top tip: Take the hassle out of collecting sponsorship by setting up an online fundraising page on the MCF website. Remember to share a link to your fundraising page using email or social media and keep your friends up-to-date through regular posts, images or videos.
