given to support the education of children and young people

£92,117

given to support healthcare and wellbeing

6

people accessed mental health support

“The most significant change is being able to manage my bills and care for my family while recovering from health issues like heart failure and depression. The MCF grant will help me address my children’s mental health challenges, support my autistic child, and cope with ongoing stress after my marriage ended.”

And beyond...

This year we supported more than 330 charities in England, Wales, the Channel Islands, the Isle of Man and internationally and helped more than 3,000 individuals and families in need.
