“

After battling cancer and caring for my terminally ill father, my savings were depleted and my income reduced. The MCF grant has allowed me to stay in my home, easing financial stress and giving me time to focus on my physical and mental health. The MCF team's kindness has been life-changing, offering me support when I felt isolated. Though my financial situation remains fragile, I'm deeply grateful for the help that kept me from losing my home.”

## And beyond...

This year we supported more than 330 charities in England, Wales, the Channel Islands, the Isle of Man and internationally and helped more than 3,000 individuals and families in need.
