people accessed mental health support

“

The most significant change in our son was his improved ability to cope during a turbulent time in his life. With complex needs and the impact of a close bereavement, the counselling sessions funded by the MCF helped him learn techniques to feel more in control in situations that would have otherwise overwhelmed him.”

And beyond...

This year we supported more than 330 charities in England, Wales, the Channel Islands, the Isle of Man and internationally and helped more than 3,000 individuals and families in need.
