people accessed mental health support

“Thanks to the MCF grant, I now have the opportunity to enjoy activities and spend more time with my grandchildren. I can access healthcare more easily and manage day-to-day tasks I once found impossible. This has restored my sense of independence, improving both my mental health and physical health. It has given me a bit of my life back, allowing me to feel more like myself.”

And beyond...

This year we supported more than 330 charities in England, Wales, the Channel Islands, the Isle of Man and internationally and helped more than 3,000 individuals and families in need.
