“

The funding of £15,000 we received for children and young people with SEND has directly benefited children and young people with complex disabilities by supporting the delivery of our Summer Club. The Club was attended by 96 children and young people with varying disabilities and high support needs. The activities offered were carefully designed to cater for each individual child to offer a stimulating 12 full day timetable of activities over three weeks during the summer break.”

The Hollow Lane Club
