“

We occupy an old stone-built Tanyard that is built into the medieval town walls of Pembroke. It is a big and airy space which is hard to keep warm. Our grant has been used to contribute to the running costs of the building: heat, light, insurance and premises maintenance, to ensure that we continue to provide a warm, safe and welcoming space that is attractive to young people as a place to meet and socialise. More than 85% of our members live in poverty in a disadvantaged rural area, it is essential that they have somewhere safe and inviting to go during their leisure time.”
